

PHYSICIAN PARTNERSHIPS

Lakeside MRI & Diagnostic Health wants to be your imaging partner.

For more than 20 years, Lakeside MRI has served the Clear Lake area. In that time, the dynamic in our area has shifted immensely. Recognizing our own need for change, we are working to develop a formula that optimizes our partnership with our doctors, by creating efficiencies and programs that result in increased revenue and profit for our partners.

At Lakeside, it all starts with our commitment to our physician-specific mission,

To provide the highest quality diagnostic imaging and patient care, while delivering seamless service as an extension of our referring physician's practice.

When you do well, we do well. To achieve this, Lakeside offers our referring physicians:

- Preferred Physician Program – tailored to you and your patient's needs
- Physician Liaison – who will work with your staff to make sure your needs are met
- Scheduling services – with an on-site Lakeside employee option
- Same day appointments – including early hours and late evenings
- Rapid Radiologist turn around time – providing rapid results
- PACS server access – direct, real-time images and reports
- CD delivery – daily with one, two & urgent delivery options according to your needs
- STAT & STAT Verbal services
- Notifications – uploads into PACS, scheduling statuses, and others, by request
- Privately-owned & managed facility – allows flexible arrangements
- Direct access to Facility Director and CEO
- Full digitalization of paperwork and records – saves time and reduces errors
- Neuroradiologist – serves as Medical Director
- 2 Board-certified & subspecialty-trained radiologist groups – provides accurate read results
- Onsite Radiologist
- Contracted acceptance with over 70, including all major, health insurance companies
- Services billed in-network globally and include radiologist's professional fee
- Accredited with the ACR and IAC

In all that we do, Lakeside is committed to exceeding expectations. Tell us what you need and together we will create solutions. *We want to earn your business and explore future opportunities for service line expansion and growth, with you as our focus.*

Make Lakeside MRI & Diagnostic Health your imaging partner today!
